(capo 1)

Verse one

```
   E                          E
A tempest in a tea cup, an unexpected hiccup
E                      B7
A politician on the turn
  (E                   D)                (A              C7)
A mountain from a molehill, an in—ferno from a fire drill
(E     B7)   E
Nine days' wonder
```

Verse two

```
E                      E
Major allegations, endless speculation
E                          B7
The murmur of dis—sent
          (E            D)        (A              C7)
Every—one has a say, every dog gets his day
(E     B7)   E
Nine days' wonder
```

Chorus

```
A             E          E             B7
Nine days' wonder, nine days' wonder
E                      A
Today's chip paper, yesterday's news
(E     B7)   E
Nine days' wonder
```

Verse three

E E
Batten down the hatches, it's clear as molasses
E B7
This storm will blow us a—way
(E D) (A C7)
But once it hit land, I'll be damned
(E B7) E
Nine days' wonder

Verse four

E E
Talk Show experts are digging in the dirt
E B7
Looking for something to say
(E D) (A C7)
But why let the facts af—fect or dis—tract
(E B7) E
Nine days' wonder
