👍 **Brooks Williams *My Turn Now*** (Red Guitar Blue Music RGBM-2016). Brooks's latest can't-put-a-finger-wrong collection really rocks, stirring up soulful Americana, full-on blues and tasty rootsy grooves, with muscular, brilliantly tight rhythm-section support, on seven compelling new originals and four impeccably chosen covers. Very likely Brooks' best batch yet. [www.brookswilliams.com](http://www.brookswilliams.com)
